EXPERIENCE

Minutes For Moms, Columbia, MD — Nanny

September 2017 - present

I have been working for many different families with this company with all ranges of children, ages 0-13 years we cater to the child's needs and wants to make sure they have the best experience with their nannies to have fun, while being safe and including learning into the fun.

Red Lobster, Columbia, MD — hostess

2019 - 2020

Working in the front of the restaurant, the hostess made sure to make guests comfortable while helping out servers when needed. This included running food, cleaning tables, and getting drinking for newly sat table

Charlotte Russe, Columbia, MD — sales associate

2018 - 2019

While at Charlotte Russe, I worked on the store floor to style people, help find outfits for events, and stock shelves while making sure to keep the store as clean as possible. I stayed after the company went bankrupt and helped close the store for good.

Jazz's Island Cuisine, Columbia, MD — waitress

2017 - 2018

This business was a start up and unfortunately had to close down due to funds and other underlying problems, here I worked with other servers to make sure guests had the best experience possible.

EDUCATION

Wildelake highschool, Columbia, MD — Highschool diploma

2014 - 2018

While at wilde lake I was very involved with school activities including cheer captain as well as lacrosse, manager of the basketball team, president of greene and gold mentorship program, and chair of class council.

SKILLS

Work very well with others.

Very good problem solver.

Keen for learning and absorbing new information.

Able to work with multiple ranges of technology.

Organized and able to balance multiple projects at a time.

Volunteer work

Greene and Gold-president and mentor for children coming into my high school to give a better high school experience and have a friend to help

OhanaHC- mentor and volunteer recruitment committee, here I am a mentor to a student to help her through school and life when needed, we also work to recruit more mentors as we continue to expand to new schools each year..

Nourish now-working at a food bank to sort and package food for drop off locations to help families in need, along with covid relief efforts

Howard Community College, Columbia, MD — *associates degree*

2018 - 2020

I started here during my senior year of high school to be able to get ahead and start my further learning early.

LANGUAGES

English

Howard University, Washington,DC — *Bachelor's Degree of science*

2020 - present

Working remotely with an online school has given me experience in having to communicate with people online as well as working on projects from a distance.

#1 Phlebotomist training program, Baltimore,MD — *Phlebotomy certification certification number 10000-379*

2021

Certification in drawing blood along with knowledge of flow of blood and order of draw.

PROJECTS

OhanaHC — *Mentor program*

I played a large role in the pilot program of OhanaHC which was started to help children in the bottom 25% academically challenged students, we have now expanded into 3 additional schools working to teach and motivate students who are struggling and may not have the support system they need
